Attention: South Dakota Medicaid Providers
From: South Dakota Medicaid
RE: Community Health Worker Diagnosis Codes

South Dakota Medicaid recently made changes that will allow Community Health Worker (CHW) agencies to bill using primary diagnosis codes for social determinants of health through electronic claims. CHW agencies will no longer need to send paper claims when using these diagnosis codes. Other providers may continue to bill those codes as secondary diagnosis codes as they have in the past. The attached document lists accepted social determinants of health diagnosis codes.

Sincerely,

South Dakota Medicaid
